*Device compatibility may vary depending on the region or service provider.

*Some of the device listed above might not be sold in some countries.

*The specification of the Android devices listed above is subject to change for certain reasons of manufacturers.

Please note that they may not operate properly with SEQTRAK depending on the changes.

For detailed specification and information on the Android devices listed above, please contact the manufacturers of them.

*Even if the device name is the same, the specifications may differ depending on the country or region.

In such cases, the operating conditions may differ, so please be sure to check the model name as well.
